

LES MISERABLES: SCHOOL EDITION
CAST LIST

Looks like all of you are going to be super busy with multiple characters. Congratulations. We need all of you to make this show the epic and amazing piece that it is.

Though we joke about being “Girl 1” that’s actually how characters are often named in the script. So, that if your character has a generic name such as “Girl 1” this likely indicates solo.

There may be errors, please alert me if you auditioned and your name does not appear on this list. This list may also be adjusted during the rehearsal process. Your attendance at rehearsal is one of the factors that could cause adjustments. I will be giving you descriptions of what each of your characters does on Tuesday’s rehearsal. Please don’t panic until I’ve been able to tell you what you will be doing.

Chances are it’s more than it may seem at first. If it’s too much, or doing something you fell uncomfortable with, we can figure that out too.

I want each of you to have a good experience doing the show. See you Tuesday after school in the auditorium.
